PEDIATRIC ANNALS INDEX 1976

SUBJECT INDEX

January — Pediatric Radiology II: General
February — Prevention of Neonatal Morbidity and Mortality
March — Child Abuse and Neglect
April — Orthopedic Problems in Infancy and Childhood
May — Pediatric Neurology II
June — Immunology in Infancy and Childhood I: Basic Concepts
July — Immunology in Infancy and Childhood II: The Child With Immunologic Defects
August — Pediatric Otolaryngology
September — Pediatric Clinical Pharmacology
October — Traumatic Injuries in Children: Modern Concepts
November — Pediatric Gastroenterology
December — Pediatric Dermatology

TITLE INDEX

Acne Vulgaris. Sidney Hurwitz, M.D., December, p. 55.
Acute Abdominal Injuries in Children. James L. Talbert, M.D., and Bradley M. Rodgers, M.D., October, p. 35.
Acute Hematogenous Osteomyelitis. G. W. Nixon, M.D., January, p. 64.
Acute Thoracic Injuries in Children. J. Alex Haller, M.D., and Dennis W. Shermeta, M.D., October, p. 71.
Adverse Drug Reactions in Children. Reba Michels Hill, M.D., September, p. 61.
Allergic Diseases of the Nose and Middle Ear in Children. D. Lee Miller, M.D., and Gilbert A. Friday, M.D., August, p. 23.
Antibiotic Dosage for Infants and Children. Thomas F. Rolewicz, M.D., Ph.D., November, p. 122.
Atopic Dermatitis: Clinical Expression and Management. Alvin H. Jacobs, M.D., December, p. 39.
Atopic Dermatitis: Etiology and Pathogenesis. William L. Weston, M.D., and J. Clark Huff, M.D., December, p. 30.
Background to the Current Interest in Child Abuse and Neglect. Rowland L. Mindlin, M.D., March, p. 10.
Bacterial Infections and Venereal Diseases. James E. Rasmussen, M.D., December, p. 82.
Bacterial Meningitis in Childhood: Neurologic Complications and Their Management. Edgar Y. Oppenheimer, M.D., and N. Paul Rosman, M.D., May, p. 10.
Birthmarks. Alvin H. Jacobs, M.D., and Ronald L. Cahn, M.D., December, p. 6.
Cell-Mediated Immunity: Mechanisms, Significance and Evaluation. Photini S. Papageorgiou, M.D., June, p. 40.
Childhood Foot and Leg Problems. Keith D. Vanden Brink, M.D., April, p. 60.

continued

Chronic Otitis Media in Children. Herman Felder, M.D., August, p. 7.
Clinical Pharmacology of Digitalis Glycosides: A Developmental Viewpoint. Sharanjeet Singh, M.D., D.C.H., September, p. 81.
Complement Function and Disorders. J. Michael Kehoe, D.V.M., Ph.D., June, p. 74.
Considerations in Management of the Child With Cerebral Palsy. Robert L. Samilson, M.D., April, p. 10.
Constipation in Children. R. I. Suberman, M.D., January, p. 32.
Control of Bacterial Infection in the Nursery. Stephen R. Kandall, M.D., February, p. 48.
Convulsive Seizures in Infancy and Childhood. Barry S. Russman, M.D., May, p. 39.
Diagnosis and Management of Torticollis. Robert N. Clark, M.D., April, p. 43.
Diagnosis and Management of Upper Gastrointestinal Hemorrhage in Children. William M. Liebman, M.D., November, p. 47.
Diagnosis and Treatment of Disorders of Defecation in Children. David R. Fleisher, M.D., November, p. 70.
Diagnosis and Treatment of Duodenal Ulcer in Infancy and Childhood. Dennis Lee Christie, M.D., and Marvin E. Ament, M.D., November, p. 10.
Diagnosis and Treatment of Pediatric Otorhinologic Problems. Herman Felder, M.D., August, p. 6.
Diagnosis of Hypotonia in Children: Types, Differential Diagnosis, and Management. Hart deC. Peterson, M.D., May, p. 30.
Drug Disposition and Therapy in the Developing Human Being. Bernard L. Mirkin, M.D., Ph.D., September, p. 12.
Early Identification and Prevention of Unusual Child-Rearing Practices. Ray E. Helfer, M.D., March, p. 91.
Emergency Management of the Injured Child. William T. Brown, M.D., October, p. 21.
Ethical Issues in Screening for Unusual Child-Rearing Practices. Howard Brody and Betty Gaiss, O.P., March, p. 106.
Evaluation of the Child With Repeated Infections. Richard J. Bonforte, M.D., July, p. 32.
Fatalities From Child Abuse and Neglect: The Responsibility of the Medical Examiner and Coroner. Milton Helpern, M.D., March, p. 42.
Fungal Infections of the Skin in Children. William Watson, M.D., December, p. 97.
Gastroesophageal Reflux in Children: Clinical Manifestations, Diagnosis, Pathophysiology, and Therapy. Arthur Ray Euler, M.D., and Marvin E. Ament, M.D., November, p. 22.
Host Resistance to Infection. Walter L. Henley, M.D., June, p. 8.
The Immune Response. Walter L. Henley, M.D., June, p. 26.
Immunodeficiency Disorders. Walter L. Henley, M.D., July, p. 8.
The Immunoglobulins. Walter L. Henley, M.D., June, p. 30.
Impairment of Natural Defenses (the Compromised Host): Introduction. Photini S. Papageorgiou, M.D., July, p. 50.
Impairment of Natural Defenses — I: Exogenous Causes, Mechanisms, and Opportunistic Infection. Photini S. Papageorgiou, M.D., and Ziad Alqusus, M.D., July, p. 55.
Impairment of Natural Defenses — II: Endogenous Causes: Diseases, Malignancies, Malnutrition, Organ Transplants. Linda T. Cahill, M.D., July, p. 86.
In Dedication: Dr. Harold Abramson, February, p. 21.
Infant Transport Services: An Overview. Angelo Ferrara, M.D., and Lucille Perrotta, M.D., February, p. 25.
Interdisciplinary Management of Child Abuse and Neglect. Gordon David Fisher, J.D., March, p. 114.
Knowledge and Epidemiology of Child Abuse: A Critical Review of Concepts. Eli H.

Newberger, M.D., and Jessica H. Daniel, Ph.D., March, p. 15.
The Long-Term Management of the Child and Family in Child Abuse and Neglect. Barton D. Schmitt, M.D., and Patricia Beezley, M.S.W., March, p. 59.
Nasal Problems in Children. Kenneth H. Hinderer, M.D., August, p. 52.
Neck Masses in Children: Diagnosis and Treatment. Mark May, M.D., August, p. 88.
Neonatal Host-Defense Mechanisms. Michael B. Harris, M.D., June, p. 86.
Neonatal Sepsis. Sophie Pierog, M.D., and Sarvesh Nigam, M.D., February, p. 63.
Nonhemolytic Hyperbilirubinemia in Full-Term Infants. Charles H. Bauer, M.D., and Terusada Horiguchi, M.D., February, p. 89.
Orthopedic Overview of Juvenile Rheumatoid Arthritis. William T. Green, Jr., M.D., April, p. 82.
Pathology and Treatment of Legg-Perthes Disease. Albert B. Ferguson, Jr., M.D., April, p. 113.
A Pediatric Generalist's Experiences With Child Abuse and Neglect in a Small, Isolated Community. William D. Furst, M.D., March, p. 79.
Pediatric Hypertension: Current Therapeutic Considerations. Alan R. Sinaiko, M.D., and Bernard L. Mirkin, M.D., Ph.D., September, p. 98.
Phagocytes: Their Protective Activity and Their Genetic and Acquired Defects. Carlos C. Daughaday, M.D., and Steven D. Douglas, M.D., June, p. 10.
Primary Recognition and Treatment of Congenital Dislocation of the Hip. Albert B. Ferguson, Jr., M.D., April, p. 28.
Proctosigmoidoscopy and Rectal Biopsy in Children. Jon A. Vanderhoof, M.D., November, p. 105.
Progressive Genetic-Metabolic Diseases of the Central Nervous System in Children. Isabelle Rapin, M.D., May, p. 55.
A Rational Approach to Antibiotic Therapy in Infants and Children. Thomas F. Rolewicz, M.D., Ph.D., September, p. 43.
Recent Advances in the Treatment of Head Injuries. Luis Schut, M.D., and Derek A. Bruce, M.D., October, p. 80.
The Recognition and Early Management of Child Abuse. George W. Starbuck, M.D., March, p. 27.
A Re-evaluation of Splenectomy. Hugh B. Lynn, M.D., October, p. 12.
Roentgenographic Evaluation of Children With Acute Onset of a Limp. Jeremy J. Kaye, M.D., January, p. 11.
Roentgenographic Features of Primary Immunodeficiency Diseases. Patricia Winchester, M.D., and Paula Brill, M.D., January, p. 84.
The Role of Abdominal Sonography in Pediatric Diagnosis. Peter J. Dempsey, M.D., January, p. 103.
The Special Committee on Infant Mortality of the Medical Society of the County of New York: A Review. Harold Abramson, M.D., February, p. 9.
Spine Deformity in Children: Current of Diagnosis and Treatment. Robert B. Winter, M.D., April, p. 95.
Surgical Aspects of Child Abuse (Trauma-X). Jay L. Grosfeld, M.D., and Thomas V. N. Ballantine, M.D., October, p. 106.
The "Torch" Syndrome. Yong Ho Shin, M.D., Leonard Glass, M.D., and Hugh E. Evans, M.D., February, p. 106.
Tracheotomy in Pediatric Airway Management. Gavin S. Douglas, M.D., Dorothy Hoskins, B.S.N., and Sylvan E. Stool, M.D., August, p. 75.
Traumatic Injuries in Children. Martin W. Abrams, M.D., October, p. 10.
The Use of Antibiotics for Severe Neonatal Infections. Anne A. Gershon, M.D., February, p. 80.

continued

Vertigo in Children. Sidney N. Busis, M.D., August, p. 15.
Warts: Their Diagnosis and Treatment. Lucy Marie Schmidt, M.D., December, p. 72.
